Registration conditions

Registration is binding by the indicated latest beginning of the course. In case of withdrawal during this period a cancellation fee of 15% of the course fee is due. You have the opportunity to finish the course after the first teaching appointment. In this case a cancellation fee of 15% of the course fee will be due and the books have to be returned. If the fee already paid is higher than 15%, you will receive the difference back. The institute must be notified in written form about the premature termination of the course directly after the first three hours. If the course is terminated later, the complete course fee must be paid. If lessons were missed (even in case of an illness) they will be neither repaid nor repeated. An absence from single courses must be notified at least 24 hours before the beginning of the lesson.

I have received a copy of the registration. I have read the above and agree with it.

Place, date _____
